Respect and Tolerance

is necessary to keep communication in professional ways and to maintain an open discourse culture.

Hate Speech

Any discrimination against minorities is an absolute no-go.

Mobbing

Body weight, intellectual and/or social status is a matter of private affairs. We better keep it this way.

Please don't spam

Not verbally, nor in textform. Everybody deserves a calm working environment.

Discretion

Your address or any other personal details are none of our business. Please keep it to yourself or use a secure connection at least to transfer data.
